Discussion

Forum Part 1 Data Report

Superintendent Conley reported on the community and staff forums. The report included all of the comments from the forums that the superintendent has presented at during the past few months.

The Objective of these discussions is to examine community and staff forum comments for:

- > District-wide strengths and areas for improvement
- > Site specific strengths and areas for improvement

The information from these results will be used to:

- > Help guide planning efforts for district-wide improvements

Four questions that were asked:

1. What is working well within the district?
2. What's working well within the school?
3. What needs improvement within the district?
4. What needs improvement within the school?

The next step will be to share this information with school staff and administrators.
